

Nanna Jenny's Official KNAG Beret Pattern -

(Size 5 and 8 needles.)

I use 8 ply acrylic wool. 310 gms per skein. You should get 3 beanies using 1 skein of yellow and 1 skein of black.

Cast on 81 (Small), 89 (Medium) or 97 (Large) stitches. Size 5 needles.

I do about 2 - 2/12" black and then yellow.

Rib (2 plain, 2 purl) for 8 rows.

Change to Size 8 needles and plain stitch til you've knitted 4" to 6" (your choice - the more you knit the baggier the beanie/beret gets).
