

## Chocker with triangle.

This article can be made in any colours and the triangle decorated to your taste.

I used 12ply mohair wool and 5mm double pointed needles

Experiment with your thread and needle size for your desired look.

To make **chocker strand** using double pointed needles

Cast on 5 stiches

Knit 5 stiches

Move your stiches to the other end of the double pointed needle do not turn,  
and knit the 5 stiches

Continue in this manner until your desired length and cast off.

To make a **triangle**

Cast on 3 stiches ( I left a long tail so I could attach the triangle to the chocker)

Knit next row

Knit next row increasing one stitch on the second stitch.

Repeat last row until size of the triangle you require is complete.

Cast off stiches.
